

INTEGRATED MANAGEMENT SYSTEM POLICY

The Policy of SEKISUI SPECIALTY CHEMICALS EUROPE, S.L. Tarragona factory, is based on the SAFETY and HEALTH of its employees, the prevention of Serious Accidents, the preservation of the ENVIRONMENT and the QUALITY of its products. To ensure effective management an Integrated Management System has been implemented (IMS), based on the following requirements:

- ✚ ISO 9001, ISO 14001, OHSAS 18001 Standards
- ✚ Responsible Care®
- ✚ Serious Accident Prevention Legislation
- ✚ The SEKISUI Group corporate code

This company philosophy should be fully used to improve the "quality of goods and services", "people excellence" and the "efficiency of the systems."

With great emphasis on this philosophy and in the future, we are actively committed to the following principles:

CUSTOMER SATISFACTION AND PREFERRED SUPPLIER

Provide products that meet or exceed customer expectations always with the aim of forging preferential relations and become your long term supplier in our areas of application of adhesives, emulsion polymerization water-soluble Film, Oil, Paper, Resin PVB, Buildings and Construction and specialized applications.

HIGH QUALITY PRODUCTS

Try to be the industry leader in product quality, continuously improving our systems through the effective use of the processes of corrective and preventive actions, and implementing continuous improvement techniques such as Kaizen and RCA (Root Cause Analysis).

SAFETY AND LEGAL COMPLIANCE

Always give priority to the safety and health of our employees and products, through compliance with regulatory requirements, legal and associated with voluntary initiatives applicable. We believe that the health and safety of our products and employees are critical to continuity of the company.

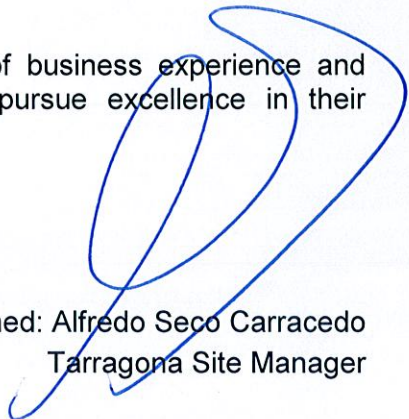

COMMUNITY AND ENVIRONMENT

Enrich communities, cooperating with local regulatory agencies, and improving life in these communities through sustainable environmental operation in our internal and external environment. Our goal is to have a consistent business growth consistent with the evolution of society and the environment.

STAFF AND TEAMWORK

Guarantee goods and services of first quality based on years of business experience and strengths of each employee. Each member of Sekisui must pursue excellence in their contributions.
