

Environmental Policy

Calvert City

We ensure that every aspect of our business is conducted in accordance with sound environmental practices. We conduct business in a manner that conserves resources and constantly reduces our environmental footprint. We are committed to continual improvement in our environmental performance by setting, reviewing and updating environmental plans.

We are committed to:

- Managing operations to comply with all applicable laws and regulations and other requirements to which we subscribe that relate to our environmental aspects.
- Reducing the creation of waste by the adoption of improved operating practices and by the recycling and/or reuse of materials whenever practical.
- Prevention of Pollution
- Continual Improvement

By this policy, Sekisui Specialty Chemicals America, LLC recognizes its responsibility towards protection of the environment, and issues this statement as a commitment to minimizing the environmental impact of its operations.
